**Location Map (No Scale)**

## Owner's Certificate

The undersigned owner of the real estate shown and described hereon do hereby plat and subdivide said real estate as shown and designate the same as **The Orchard, Section 5**
All road right-of-ways shown and not previously dedicated are hereby dedicated to public use.

Strips or areas of land, of the dimensions shown on this plat and marked ***"P.U.E."*** (Public Utility Easement), are hereby dedicated to public utilities for the installation, maintenance, operation, enlargement and repair of utility facilities, whether above ground or below ground, with the right to trim or remove, at the discretion of the public utility, trees, overhanging branches, bushes, underbrush and obstructions. No buildings or similar structures, other than such utility facilities, can be located within said areas of land. Any fence located within said areas of land is subject to removal by a public utility without liability in the use of said easements by said utility.

Strips or areas of land, of the dimensions shown on this plat and marked ***"D.E."*** (Drainage Easement) are dedicated for conveyance of surface water and/or subsurface water; provided however, that public utilities are hereby permitted to cross such Drainage Easements with utility facilities provided, that such facilities are not placed in such manner as to impede the flow of water and further provided that such Drainage Easements may be used for ingress, egress and temporary staging areas for work by public utility so long as any damage caused to a drainage facility is repaired by the utility company. The property owner is responsible for maintenance and erosion control of said easements and shall not place landscaping, earth berms, fences or other obstructions that impede or reduce the flow of water.

All easements are dedicated with the right of ingress and egress over the lots within this subdivision to and from said easements for necessary construction, maintenance or reconstruction.
